Re: Matter 375 - NB Power 2018-2019 General Rate Application

The New Brunswick Energy and Utilities Board (Board) received a letter from NB Power dated December 11, 2017, in regards to the hearing schedule for the above-noted Matter.

NB Power's correspondence suggested that the hearing, scheduled for February and March 2018, could now have its final week take place the week of February 26th instead of March 26th. The Board asked participants to comment.

The Board has reviewed the submissions made by participants and has determined that the hearing will proceed as follows:

- Week 1 (partial week): February 7 to 9, 2018 at the Delta Brunswick, Saint John;
- Week 2: February 12 to 16, 2018 at the Delta Brunswick, Saint John;
- Week 3 (partial week): February 20 to 23, 2018 at the Delta Brunswick, Saint John; and
- Week 4 (partial week): February 26 to 28, 2018 at the Fredericton Convention Centre.

Additionally, the Board will continue to case manage this matter and will advise on issues such as the order that issues will be heard, the timing of final argument, the public session, etc as soon as possible.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Mitchell".
