## NOTICE

### **Changes to Maximum Price Schedule – Christmas 2018**

The New Brunswick Energy and Utilities Board sets maximum prices for petroleum products sold in New Brunswick as per the Petroleum Products Pricing Act (*PPPA*). In accordance with the Act and its attendant regulation (*New Brunswick Regulation 2006-41*) changes to maximum prices come into effect each Thursday, with wholesalers receiving notice of the changes the day prior. Under certain circumstances, the legislation prescribes changes to the schedule, circumstances which will occur over the Christmas/New Year holiday period.

This year Boxing Day (December 26<sup>th</sup>) falls on a Wednesday. As per Section 3(2) of the General Regulation:

*where Wednesday is a statutory holiday, the Board shall set the maximum wholesale and retail prices to take effect the following Friday.*

**Accordingly, new maximum prices for the pricing period December 27, 2018 through January 2, 2019 will come into effect on Friday December 28, 2018. Wholesalers will receive notice of new maximum prices the day prior.**

If you have any questions, please contact the Board offices at (506) 658-2504.
